PROFESSIONAL EXPERIENCE

3D Event Designer | January 2025 – April 2025

Marketing Eye — Dubai, UAE

- Designed and developed 3D exhibition stands, automotive experience centers, and event spaces for global automotive brands including Nissan, Geely, and Dodge Ram.
- Created immersive brand activation environments and exhibition concepts for new vehicle launches, product showcases, and automotive marketing events.

3D Artist — CGI & Exhibition Visualization | October 2023 – December 2024

Dots Lab — Abu Dhabi, UAE

- Created vehicle models and optimized props for game engines and CGI production.
- Designed exhibition stands, retail spaces, and interactive environments for client campaigns.
- Developed CGI assets for government campaigns, including Abu Dhabi Police.
- Produced 3D assets using Autodesk Maya and Unreal Engine, optimized for real-time visualization and rendering performance.
- Collaborated closely with designers and marketers to consistently meet project deadlines.

3D Artist | February 2022 – March 2023

Amazon Development Centre India — Bangalore

- Developed photorealistic product models for Amazon's product catalog.
- Created high-quality assets using Maya, ZBrush, and Substance Painter.
- Maintained strict consistency with Amazon's quality and branding standards.
- Collaborated with QA teams to ensure model accuracy and production quality.

EDUCATION

Bachelor of Arts in Multimedia & Animation

Vellore Institute of Technology, Vellore, India | 2019 – 2022 | GPA: 8.5
